

At Paso Fino Elegante we are committed to breeding, raising, and training the finest quality Paso Finos.

At the heart of our breeding operation are two incredible stallions, Romancero de Pastorale and Oro de Piloto.

The blend of their bloodlines is producing some of the finest Paso Finos that we have seen, with the conformation and temperament that are essential to the advancement of the breed.

We are a family-run operation, catering to both Youth and Amateur Owner riders. Individual clinics are available, in which we will work with both you and your horse. This enables you to get the most from your Paso experience. A limited number of horses are now being accepted for training.

Please share with us our passion for these spectacular and loving horses. We thank you for your interest in our wonderful Paso Finos.
